Redefine summer with entertaining themes and exciting experiences to discover a new sense of wonder and purpose through play and learning.

Kick off summer like a champion! The All Stars Kick-Off Sports theme is packed with high-energy games, team sports, and friendly competitions. Campers will build coordination, confidence, and teamwork while learning sportsmanship in a fun, supportive environment designed for all skill levels.

Experience the wonder of Disney Magic camp! Campers will dive into a world inspired by favorite Disney stories, characters, and adventures. Through imaginative games, creative crafts, and themed activities, kids bring fairy tales to life while expressing creativity, building friendships, and making magical memories.

Learn the basics of entrepreneurship in a fun and engaging way! Campers will work on business projects, participate in market days, and tackle creative challenges. They'll learn about budgeting, marketing, and product development while developing their leadership and teamwork skills. Perfect for budding young entrepreneurs with big ideas.

Young chefs step into the kitchen at Master Chefs camp! Campers explore food preparation, simple cooking techniques, and creative recipe challenges through hands-on activities. This tasty theme encourages teamwork, problem-solving, and confidence as campers mix, create, and enjoy delicious fun together.

Travel the globe without leaving camp! During 10 Days Around the World, campers explore different countries through cultural games, art projects, music, and hands-on activities. Each "destination" introduces new traditions and experiences, inspiring curiosity, creativity, and a love for global discovery.

Step right up to a summer of carnival fun! Campers will enjoy classic carnival games, face painting, and fun rides. They'll participate in talent shows, enjoy cotton candy and popcorn, and experience the festive atmosphere of a carnival. This camp offers endless entertainment and excitement for campers who love the thrill of the fair.
